## Campus Celebrations

### Majestic Monsoon

*“ It’s the time of dark and fluffy clouds,  
It’s the time of thundery loud,  
It’s the time to dance in rain,  
It’s the time to bid adieu to the Summer’s gloom,  
It’s the time for the flowers to bloom,  
Let’s cheer and celebrate,  
It’s booming MONSOON”*

It’s the seasons’ first rain, which fragmented and drenched the whole surrounding. After the downpour, the campus laughed like a child - free and wild. This is probably why Monsoon shall forever remain the favourite season to the poets. Let’s catch a glimpse of this beautiful season with bewildered eyes.

**“Mesmerising, magical and hysterical vista amidst the pitter patter”**

**“The rain taps on my windowpane,  
like it is trying to get in,  
It summons me to come out there,  
To tie a knot with bliss,  
And, untie with all that is earthly.”**

Dear Children,

“Though it is MONSOON,  
But, it is all glum without You,  
Barren hostels and hollow paths,  
All are longing and calling you,  
That is what happens,  
When the life’s Glare turns away.”

-Your loving Teachers

Rain, Friends and an Umbrella

“Being soaked alone is cold, being soaked  
with friends is fun.”

## Craft Class – Making Rakhi

*“Raksha Bandhan – a knot of protection, obligation, and care”*

‘Preparing Rakhi’ was the inaugural craft class which was tutored through the GYANSAGAR Portal. It not only enthused but also rejuvenated the virtual attendees. The festival that celebrates the love of a brother for his sister and vice versa turned out to be a festival of fun learning before the main festive commemoration. Here are a few glimpses.

Let us Make a ‘Rakhi’ - Together

**R** – Ribbon or a thread; beads or sequences....

**A** – Assemble all that you can...
